## **ROWE Engineer Deveron Q. Sanders, PE, Honored with Leadership Award**

**Flint, Mich., August 1, 2016** – ROWE Professional Services Company Project Engineer Deveron Q. Sanders, PE, received the Emerging Leader award from the Conference of Minority Transportation Officials (COMTO) July 12 due to his outstanding contributions to the transportation industry.

The COMTO judges chose Sanders for the award because throughout his affiliation with the organization, which includes serving on five Michigan chapter committees, he has demonstrated extraordinary competence in his field by developing and improving his leadership skills and possessing a strong commitment to the transportation field and community. He has implemented self-improvement initiatives and positively impacted and influenced others. They believe that with his leadership, he has also demonstrated a commitment to COMTO's vision, which is to ensure a level playing field and maximum participation in the transportation industry for minority individuals, businesses, and communities of color through advocacy, information sharing, training, education, and professional development.

Sanders, a Flint resident, is a University of Michigan graduate who joined ROWE in 2012 with 10 years of experience. He assists with the design and analysis of various road and infrastructure projects.

COMTO is organization comprised of members in 39 chapters across the United States representing transportation agencies, academic institutions, industry non-profits, and Historically Underutilized Businesses.

ROWE's headquarters is in Flint, Mich.; additional offices are located in Lapeer, Mount Pleasant, Farmington Hills, Lansing, Grayling, and the tri-cities area in Mich., and Myrtle Beach, SC.

ROWE is a full-service professional firm specializing in civil engineering, surveying, aerial photography/mapping, landscape architecture, and planning.
