## **ROWE Employee Honored with Awards for Consumers Energy Map**

**Flint, Mich., July 6, 2016** – ROWE Professional Services Company Survey Office Technician II Jason H. Plummer received two awards from the International Right of Way Association (IRWA) for a baseline monument drawing of Consumers Energy’s Karn Weadock Next Generation Plant in Hampton Township, Mich. IRWA awarded Plummer first place in the “Other” category of the Map Competition and chose his map as “Best of Show.”

Plummer is a 21-year ROWE employee who works in the company’s Lapeer, Mich. office. This is the third consecutive year he has received IRWA Map Competition awards and the third time his maps were chosen as Best of Show.

IRWA is an organization of approximately 10,000 members who hail from more than 15 countries and focus on training and professional development. The association serves professionals ranging from surveyors to appraisers whose work relates to the industry of acquiring, managing, and transferring the land rights needed for building and maintaining energy and transportation infrastructure.

ROWE’s headquarters is in Flint, Mich.; additional offices are located in Lapeer, Mount Pleasant, Farmington Hills, Lansing, Grayling, and the tri-cities area in Mich., and Myrtle Beach, SC.

ROWE is a full-service professional firm specializing in civil engineering, surveying, aerial photography/mapping, landscape architecture, and planning.
